

School Sports Premium Evidence

2023-2024

Year Highlights

- We have invested into our sporting infrastructure and facilities this year.
- We have built a brand new Multi-use games area (MUGA) for PE lesson, extra-curricular lessons and school sport.
- We have designated money on 4 new multisport pitches with line markings for our playground.

'Physical Literacy can be described as the motivation, confidence, physical competence, knowledge and understanding that provides children with the movement foundation for lifelong participation in physical activity. Enabling them to be physically literate supports their development as competent, confident and healthy movers.'

(<https://sportengland-production-files.s3.eu-west-2.amazonaws.com/s3fs-public/physical-literacy-framework.pdf>)

- We have maintained competitive sports participation this year. We have taken part in several Eccles cluster tournaments with a range of Key Stage 2 children.
- We used funding to buy equipment and provide sporting and physical education opportunities for both Key Stage 1 and Key Stage 2 children.
- Girls and boys football participation was very popular with over 65 children participating regularly.
- We have maintained participation in extracurricular clubs including multi-sports, Disney Dance and Move, lunchtime running and Park Run Training.
- We have delivered staff CPD training including gymnastics, dance, EYFS provision and through Enrich Education, orienteering.

Curriculum PE/Sports

- There has been a focus on increasing the learning journey of PE as our pupils move through the school. We are ensuring our curriculum map caters for the progression of key skills.
- There are knowledge organisers available across all PE activities and for each sport. These are easily accessible and user-friendly for staff and children to understand expectations.
- Physical literacy continues to be a major focus of our school. Ensuring PE provision and physical activity is delivered effectively across EYFS and KS1.

After School Clubs

- Netball (KS2)
- Girls and Boys Football (LKS2+UKS2)
- Multi-Sports (KS1/EYFS)
- Disney Dance and Move (LKS2)
- Park Run Training Running Club
-

Lunchtime and Playtimes

- Activities varied from football, tennis, basketball, throwing games, dancing and skipping.
- Children are consistently reminded of the importance of keeping active during the school day.

Equipment

- School PE equipment is stored securely and maintained by the PE Coordinator, with an emphasis on teaching staff to maintain equipment they use and return after use.
- We have sufficient equipment needed to deliver the curriculum; occasional replenishment will be required of balls etc.
- We have purchased new footballs to ensure all children in a class of 30 can have a ball each. This is the same for basketball, hockey, rugby and tennis.

Swimming

- Swimming data for 2023-2024. 85% of children in year 4 passed swimming criterion competently.

Future Targets

- Our targets for next year (23/24) are to ensure all staff are confident in delivering high quality PE lessons.
- We aim to have a curriculum that embeds the basic skills into lessons that are required to build a skillset that incorporates solid foundations and the progression of key skills.
- A continued target is to increase inter school competitions.
- We aim to introduce an intra-school competition with classes combining and competing against each other.
- We are looking to communicate and link up with local primary schools to provide our children with competitive fixtures and give our least active children a chance to compete in friendly sporting fixtures.

Financial Breakdown

Income

Carried forward from 2022/23 - £37,314.86

Sports Premium Grant 2023/24 - £18,454.00
