Dear Families,

### Attendance Update

Thank you for your continued support in promoting good attendance. I am pleased to share that we finished the last half term with a whole school attendance figure of **95%**.

We ask that all families continue to support strong attendance routines by ensuring that children attend school every day and arrive on time.

If your child is not going to be in school, please telephone the school office **before 9.00am** on the first day of absence and provide a clear reason this can be left on the answering machine. It is important that reasons are specific (for example: sickness, headache, temperature, etc.).

In line with our updated attendance procedures, if a reason is not provided, we will follow this up with a phone call or, where necessary, a home visit to ascertain the reason for absence.

Please also remember that we are unable to authorise holidays, trips or visits during term time.

If you would like to discuss your child's attendance, please speak with your child's class teacher. We also have an Attendance Officer from the Local Authority, Aida, who is in school every Thursday morning to support families and children. It is important that we work together and address any concerns early, so that we minimise lost learning time.

### Fundraising – Thank You

Thank you for your generous donations towards the Cystic Fibrosis charity during our 'Wear Yellow Day'. Your support is very much appreciated.

If your child forgot to bring their £1 donation, you can still contribute online using the following link:
